God Is Knocking...Anyone Home?

By Rick Wagner

In the Bible, we read about God coming to people in their dreams and angels appearing in visions. Current writers tell fantastic tales about surreal revelations or how a single dramatic event in their lives changed them forever, bringing God and faith to them.

While we can certainly rejoice in these peoples' new-found clarity, all too often I believe we sit sadly and quietly, waiting for our own lightning bolt experience. We lament that others 'got it' while we wait for our turn.

All the while, there are signs all around us. Signs we miss because we are awaiting the 'big event.' We can't see the forest for the trees.

God is present in hundreds of very small, very simple ways each day...

- A hug from one of my children
- The 'I love you' I get at the end of every phone call from my wife
- The silence before I fall asleep each night

God is present in seemingly unrelated events...

- A picture from my then 3-year-old daughter... she had drawn her daddy standing next to our house...and I was twice as big as the house

- My son, potty-training at the time, trembling with excitement as he insists that I follow him to the bathroom...just to watch
- My wife's tears as she sorts through shoeboxes of old pictures

God is present in the people around us...

- The way Connie lit up when she showed me pictures of her 5-year-old son's 'graduation' from pre-school
- Kelli's laugh as she chats with volunteers
- Oscar's continual humming

And after reflecting upon this, it becomes clear why Our Lady of Fatima works. So many retreatants walk away from here with a new or renewed awareness of the presence of God in their lives. Not because of a fantastic event but because of the simplicity that is Our Lady of Fatima.

Rooms are equipped with a bed, a chair, a lamp and a bible. The outside is peaceful and serene. There are no phones or televisions. There is no traffic.

God's presence is made known, not via lightning bolt, but through simplicity. We are better equipped to see the signs and we see the forest, despite the trees.

There is never a time during which Jesus is not speaking. Never. There is never a place in which Jesus is not present... gently tapping on the doors of our hearts – waiting to be invited in. Few hear his voice. Fewer still open the door. There is no chorus so loud that the voice of God cannot be heard...if we will but listen.

Some Thoughts and Reflections

by Mary Schaffner, Director of Campus Ministry at Bishop Chatard High School and several of her senior retreatants

Each time I drive up the road to Our Lady of Fatima Retreat House to begin another senior Christian Awakening Retreat, I am reminded of Luke's Gospel passage "When Elizabeth heard Mary's greeting, the infant leapt in her womb..." (Luke 1:41). The anticipation of working together with the team of peer leaders and adults who so humbly and generously give of their time to lead our seniors, together with the beautiful surroundings and the staff of Fatima who welcome us and provide for our every need... my soul literally jumps with joy and settles into a peaceful trust all at the same time. For Jesus' promise that "where two or more are gathered in My name, there I will be" (Matthew 18:20) comes to life in the three-and-one-half days that the people God has called come together. I know that part of the seniors' memories of this special renewal and witness time will be the experience of Our Lady of Fatima itself. We are grateful and blessed that Fatima is open to having these youth retreats. The Christian Awakening retreats are a powerful experience as reflected in the evaluation comments that follow:

"Retreat is the best thing that could have happened to me at this time in my life. I have learned so much about myself, and about others, and I have especially deepened my faith in God..."

"Senior retreat has been the best thing I've done in high school. I want to do it again!"

"This senior retreat brought me closer to God than I have ever been before."

"Senior retreat was so powerful - I wouldn't trade my experience for anything."

"I found God here in so many people and in so many things that we did."

"Senior retreat was an amazing experience and one of the most influential events of my life. The talks were all great...it was the first time I have ever prayed so hard and not been distracted."

"This retreat has been a life changing experience. It has changed my perspective on my daily life as well as on my relationship with my family. I have also started thinking about the priesthood."

"The retreat was a wonderful time to revive my relationship with God and to begin to see Him in the little things."

Wish List!

The upcoming capital campaign for Our Lady of Fatima will focus on the necessities...the nuts and bolts needed to keep the facility operational - things such as concrete repair, plumbing work, structural repair and upgrades, etc. So certainly we don't want you to reduce the amount you might give to the capital campaign in order to help with our wish list items.

But there are other things that we could use that would make us better...more hospitable or more efficient. So here is our wish list:

- Digital camera (\$300)
- New chairs for outside (\$300-\$400)
- Industrial washer and dryer (\$2000)
- Steak knives (\$395)
- Color printer (\$600)
- Colored linen napkins (\$480)
- Linen tablecloths (\$662)
- Miscellaneous kitchen (\$500)
- 4-way radio sets (\$1100)

Can you, your company, or someone you know help?

A Fond Farewell

Members of the Our Lady of Fatima family bid farewell to one of their own at an open house reception held on June 27th. Sharon Wagner, Associate Director at OLF for seven years, left her post to accept the position of Business Manager for St. Pius X Parish in Indianapolis.

Sharon is credited with "holding down the fort" when an air of uncertainty surrounded Our Lady of Fatima during the past two years.

It was obvious from the turnout at the open house that Sharon was loved and will be missed!

'High Tea' on October 14th

Plans are in full swing for our 6th annual High Tea, to be held on Thursday, October 14th from 2:00-4:00 pm. Our guest speaker will be folklore historian Wanda Lou Willis. She will speak on "Hoosier Hauntings." There will be raffle drawings on two lovely tea baskets in addition to door prizes. Raffle tickets may be purchased in advance by calling 770-1123 or 253-0705. Tickets cost \$1.00 each, 6 for \$5.00 and 12 for \$10.00. We look forward to seeing you at High Tea!

Garage Sale Fundraiser A Hit!

A combination garage sale / car wash fundraiser held at OLF on July 3rd was a huge success. Garage sale and carwash receipts totaled over \$1300.00. More importantly, many folks came onto the grounds for the first time and guided tours were offered to many of our visitors.

The event was made even more special by the appearance of WIBC radio's Saturday morning dream team, Pat Sullivan and Dick Crum, broadcasting live from OLF.
