

Dear Life Chain Contact,

Thank you for being an invaluable part of the Central Indiana Life Chain as your church's contact for this pro-life event, October 1. Without your efforts to build participation at your church, the Life Chain would not be the strong witness for Life that it is. Please assist us by doing the following things:

1. Give the enclosed "Dear Pastor" letter to your pastor as soon as possible.
2. "Masters" for a bulletin insert and small poster have been included in this packet to use for advertising as your pastor directs you. The bulletin insert could be used in the traditional way or as a "sign-up" sheet at a table promoting the Life Chain.
3. After you have determined approximately how many of your fellow members will be participating in the Life Chain, please RSVP that number as follows:
 - A) Catholic churches, RSVP to Angela Walker, (317) 698-0461.
 - B) All Hamilton County churches, both Catholic and Protestant, RSVP to Janet Smith, (317) 913-1409.
 - C) All other Protestant churches, RSVP to Larry Holbrook, (317) 919-1653.

{PLEASE NOTE: If you have participated in past Life Chains, your location along the Chain will remain the same unless you are notified. If you do not know your assignment, please contact Larry Holbrook at (317) 919-1653.}

4. Ask your pastor to announce the Life Chain during or after services at least a week ahead of time. Be certain your participants know your location along the Chain and **give each one a sign provided for you** at the Life Chain table nearest your assigned location.

5. T-shirts and Sweatshirts, a popular feature of the Chain, are available on an optional basis from the Life Chain Committee. **Orders are due by Friday Sept. 15th** (See the enclosed order form for information.), and **pick-up will be Sept. 22 & 23**. The shirts are a wonderful witness for the unborn and help defray the costs of this event, necessary since Life Chain of Central Indiana is a non-profit 501.C3 organization comprised solely of volunteers.

6. On Sunday, October 1, have your group arrive early enough for the Chain to begin promptly at 2:30 p.m., and please remind them that we need to be aware of the following:
 - A) We are to **pray silently and reverently**; small talk is for before 2:30 and after 3:30 p.m.
 - B) We must not block driveways or stand on people's lawns.
 - C) Wherever possible, participants should stand at least 10 feet apart, fill gaps, and make the Chain as continuous as possible.

Thank you for providing such strong and valuable support for the Life Chain!
