

In Microsoft Office applications (Word, Excel, Powerpoint):

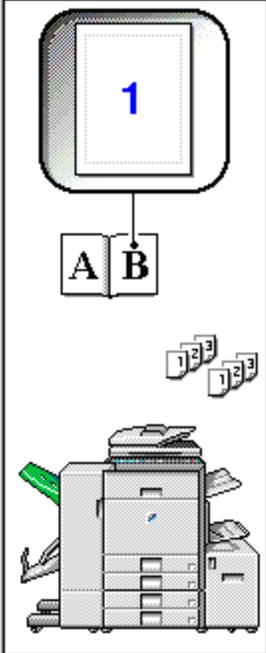

In Outlook:

The screenshot shows the Outlook Print dialog box. On the left is a ribbon with the following tabs: File, Message, Save, Save As, Save Attachments, Close, Info, Print (highlighted in orange), Help, and Options. The main area is titled "Print" and contains the following elements:

- A "Print" button with a printer icon.
- Text: "Specify how you want the item to be printed and then click Print."
- A "Printer" section with a dropdown menu showing "Papercut_Print on ADIPRINT01" and a status indicator "Ready".
- A "Print Options" button, which is circled in red.
- A "Settings" section with a yellow button labeled "Memo Style".
