

Office of Catechesis MEMO

TO: Parish Catechetical Leaders
Catholic School Administrators

FROM: Jim Wood
Coordinator of Catechetical Resources

DATE: June 24, 2019

RE: 2018 - 2019 ACRE Report

Each year during the month of January, every Parish and Catholic school is asked to formally assess their catechetical efforts through the use of the *NCEA IFG: ACRE* instrument (ACRE). Your participation provides valuable information that guides Archdiocesan, Parish, and School planning for future catechetical efforts. The data on the following pages comes from the Archdiocesan ACRE report and is available to catechetical leaders as a reference to aid in their task of interpreting their local ACRE report.

Catechetical leaders, please be aware...

- Individual Student Reports should be sent home to parents as primary educators of their children.
- ACRE data is provided in the same format as standardized scores and should not be compared to a typical grading scale where 95% = A, 86% = B etc.
- Data should be read while keeping in mind the hours available for catechetical instruction. This is typically 30+ hours for a Parish and 60+ hours for a School.
- Assessment occurs in the context of Archdiocesan catechetical curriculum guidelines, approved textbooks and catechist formation. To learn more, visit <http://www.archindy.org/catechesis/resources.html>.
- To reference the national ACRE report, please visit <https://ncea.ets.org/resources.html>.
- For helpful resources related to ACRE administration and interpretation, visit <http://www.archindy.org/acre/index.html>.
- For any other questions related to ACRE, contact Jim Wood in the Office of Catechesis at (317) 236-1569 or jwood@archindy.org.

Thank you for your commitment to Catechesis in the Archdiocese of Indianapolis.

**Archdiocese of Indianapolis
2018-2019 ACRE Report
Parish Data | Grade 8**
